West Hartford, CT — aschloss04@gmail.com — +1 (860) 938-9623

<http://www.linkedin.com/in/aschloss0entrepreneur/> — <https://aaron-schlossberg-portfolio.netlify.app/>

Skills:

- Computer literate (have taken college courses in Data Structures & Algorithms, Computer Organization, Web Software Development, Software Engineering, Machine Learning, New Venture Creation, and Practice of Entrepreneurship)
 - Passionate about advancing my knowledge in AI, and actively exploring new developments in the field
- Composing and presenting business/organizational pitches
- Experienced in creating and running campus clubs/“Student Organizations” at college, and programming activities for, advertising, and utilizing social media to build membership and communicate for them.

Education:

Muhlenberg College — Allentown, PA

Anticipated May 2026

Major: Computer Science; **Minor 1:** Innovation and Entrepreneurship **Minor 2:** Studio Art

The Wall Street Club (*member*)

September 2022 — Present

Gaining business knowledge as we learn about jobs, practice interviewing, and learn ‘Wall Street’ lingo and information.

The ‘Berg Pokémon Club (*Founder and President*)

January 2023 — Present

Established the Pokémon Club through an application/presentation process. Organize in-person meetings, for, and about, Pokémon.

The ‘Berg Harry Potter Club (*Founder and President*)

November 2023 — Present

Established the Harry Potter Club through the same process.

I schedule meetings with activities centered on the Wizarding World.

The ‘Berg Fencing Club (*Co-‘reviver’ and President*)

March 2024 — Present

Brought back the Fencing Club with another student. Lessons are taught by a Fencing instructor and a Muhlenberg alum.

MBGA (Muhlenberg Board Game Association) (*Secretary*)

April 2024 — Present

Secretary of the MBGA. Board games are provided (and members can also bring their own). The club meets weekly.

Pathways Academy of Technology and Design — East Hartford, CT

Graduated June 2022

Dual-curriculum school of general studies & technology/arts — *high school*

JTConnect Teen Leadership and Philanthropy Institute — West Hartford

TLPI Teen Leader

Sep 2021 — May 2022

TLPI is a special course offering hands-on leadership training and mentorship about philanthropy. It was a lesson in evaluating programs & allocating money, and deciding which causes to fund. As teams, we visited agencies to see, first-hand, the many services each one provided to their constituents, and were given grant proposal requests for program funding.

Work Experience:

The 600s Apartments (Kamson Corporation) — Bloomfield, CT

June 2023 — August 2023

Pool Attendant; Summer Employment

& May 2024 — August 2024

- Ensured that residents had their pool passes & guests had passes
- Kept pool & pool area clean, and communicated with apartment complex staff

Emanuel Sunday School — West Hartford, CT

Sept. 2017 — June 2022

Student Aide; Served in this capacity for five years (8th-12th grade)

- Assisted the classroom teacher
- Worked in the library, checking books in and out, and organizing library material.

Volunteering:

The Freecycle Network (TFN) (Freecycle www.freecycle.org) — remote

May 2024 — Present

As a Freecycle Co-lead Moderator for my town, I approve or reject flagged posts, answer questions from members of my hometown’s Freecycle, remove spam posts and scams, and help the overall process of giving and receiving items go smoothly.
